# WHAT'S THE DIFFERENCE?

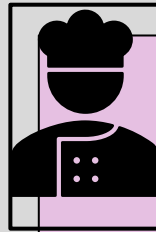

<i>HIGH SCHOOL GRADUATION</i>	<i>vs</i>	<i>COLLEGE ADMISSIONS REQUIREMENTS</i>
Requirements are determined by Georgia Department of Education (GADOE)		Often greater than graduation requirements--even in GA Example: math and/or world languages
Tracked by the student, teachers and the school counselor		Tracked by YOU (student) – It's your responsibility to find out what the school requires for admission
Must Pass the 23 required classes:  4 English                      4 Math 4 Science                      3 Social Studies 1 Health/BPE                  4 General Electives 3 CTAE/Fine Arts and/or World Language  <u>Must</u> pass all these classes <u>before</u> you earn a diploma!		Placement tests such as SAT/ACT (4-year) and ACCUPLACER (2-year/Technical College) are typically required  Meeting minimum admissions requirements <u>does NOT guarantee</u> College Admissions

2. Make a list of Potential Schools

3. Research Schools and Ask Questions!!

# STEPS TO CHOOSING A COLLEGE

## 4. What Is YOUR Current Grade Point Average?

How Does The College Calculate GPA For Admissions?

- Cumulative (Weighted/Unweighted)
- College/Core

## 5. Test Scores?

- Are They Required?
- If So, What Test(s) Do You Need To Take?
  - When Should You Test?

# WHAT CAN I DO IF MY GPA ISN'T HIGH ENOUGH TO GET INTO MY DREAM COLLEGE?

- ☐ Consider taking classes at a different school, perhaps a Technical or 2-year College. Your GPA starts over when you begin college.
- ☐ Once you earn 30 college credit hours, you can apply as a transfer student to a different school to complete your Bachelor's degree.
- ☐ The TCSG offers 28 classes that are guaranteed to transfer to a school that is part of the University System of Georgia.

\*Be sure to check with the school you are interested in transferring to for specific transfer guidelines, especially if you want to transfer out of state.

## Technical Colleges

(Chattahoochee Technical College, West GA Technical College, Athens Technical College, etc.)

Note: Georgia doesn't have traditional 2-year colleges, but we do have 4-year colleges that offer associate degrees.

(Georgia Highlands College, Georgia Perimeter, Dalton State, Middle GA State, etc.)

# The Pros of Attending a Technical or Two-Year College

- ❑ Save money!

- ❑ Quick employment for certain careers.
- ❑ Your high school GPA and standardized test scores are not as heavily weighted for admission.
- ❑ Offer many career opportunities.
- ❑ Smaller class sizes.

# Military Service Academies

- All academies, except for the Coast Guard Academy, require a Congressional or VP nomination.
- Very competitive process that you must begin very early! So, begin researching NOW!
- Accepted students attend completely FREE
- For more information go to the Service Academy's website or <https://www.whitehouse.gov/service-academy-nomination/>
