In This Packet You Will Find:

Junior Year Timeline
Career Interests
Dual Enrollment
HOPE Scholarship Information
Naviance

Graduation Requirements
Post-Secondary Options
Financial Aid Resources
Testing Information
Additional Resources

Junior Year Timeline

Fall

- ☐ Create a **GAFutures** account at www.gafutures.org. This is where you will find your HOPE GPA.
- ☐ Start **researching careers** using Naviance, GAFutures, etc.
- ☐ **Determine the training** required for the career you wish to pursue. (4yr college, Technical School, Trade School, Apprenticeship, On-the-Job Training, Military, etc.)
- ☐ **Research:** Talk with College Admissions Reps and ask questions during lunch visits. Check Naviance for lunch visits. Plan to visit the colleges on your list.
- ☐ **Make a file** to manage your college search, testing, and application data. List all your activities, awards, etc. from high school.
- ☐ **Start studying** for the SAT/ACT, if applicable.

Winter

- ☐ Sign up to take the **SAT/ACT** in the spring, if applicable to your plans. You should wait until you have taken Advanced Algebra. It is also helpful to take American Lit as well, but not as important as taking the math.
- ☐ Continue to **research** post-secondary options.

Spring

- ☐ **Stay open to all the possibilities** — don't limit your search. To find the best college for you, you should apply to colleges of varying selectivity. Selective colleges admit a portion of students who apply. Some colleges are highly selective while others are less selective.
- ☐ **Take or Retake the SAT/ACT**, if applicable.
- ☐ **Visit colleges, even if it is a virtual visit** – Most schools offer interactive virtual tours! Information can be found on their websites.

Summer

- ☐ **Athletes--Register** with the appropriate clearinghouse if you are an athlete planning to continue playing a sport in college (NCAA or NAIA)
- ☐ **Visit colleges.** When planning your campus visits, make sure to allow time to explore each college. Take campus tours and, at colleges you're serious about, make appointments to have interviews with admission counselors if available. Most campuses offer virtual tours as well!
- ☐ **Take or Retake the SAT/ACT**, if necessary.
- ☐ **Create a résumé** — a record of your academic accomplishments, extracurricular activities, and work experiences since you started high school.
- ☐ **Make a list of 3-5 schools** you plan on applying to in the fall.
- ☐ **Begin** writing admissions essays for those schools on your list that require them.

Graduation Requirements vs. College Admissions:

Graduation Requirements		College Admissions
Determined by the GA Dept. of Education	vs.	Often greater than graduation requirements (even in GA) Ex. math and/or world languages
Tracked by you, your teachers, and your school counselor		Tracked by you – It's your responsibility to find out what the school requires
Must pass 23 specific classes including: 4 English 4 math 4 science 3 social studies, Health/BPE 4 general electives 3 CTAE, Fine Arts and/or World Language		Most colleges require some type of testing for admissions, but not all. Do your research on the college's admissions page or you can go to sites like www.fairtest.org > College Admissions > Optional List *Keep in mind that many test optional schools use test scores for scholarship eligibility.
*Most 4-year colleges require at least 2 years of the same World Language		
Must pass the 23 specific classes to earn a diploma and participate in the graduation ceremony.		Meeting minimum admissions' requirements does NOT guarantee admission to that college.

Career Interests: So, what do you want to do with your life?

Do you know what you want to do?

How do you decide?

Where do you begin?

If you aren't sure, take a Career Interest Inventory

Step 1: Take an Interest Inventory—ASVAB, Naviance, GAFutures

During the assessment make sure you avoid choosing “not sure” type responses.

Either you like it, or you don't. Choosing this type of response gives you careers that may not be the best fit because you said you “didn't care”.

Decide if it is something you would want to do for the rest of your working life.

Ex. If you don't want to work outside, don't choose those types of responses or it will give you careers that require you to be outside.

Step 2: Make a list of careers you want to learn about.

Think about...

Job availability and location upon graduation

Education/Training Required

Salary Range-Can you make a livable wage?

Work Demands-Are you physically able to do the job?

Step 3: Determine the Occupational Outlook for the careers.

You can find answers to these questions on sites like:

Occupational Outlook Handbook: www.bls.gov/ooh/

O*Net Online: www.onetonline.org

Step 4: Look for colleges that offer that major on sites like:

Naviance (www.cobbk12.org > Find it Fast > Naviance-use your O365 login)

GaFutures (www.gafutures.org)

Big Future (<https://bigfuture.collegeboard.org>)

Alternatives to 4-Year College

Apprenticeships vs. On-the-Job Training

On the Job Training		Apprenticeships
Short Period of Time	Vs	Takes 1-6 years to learn the job from someone who is licensed in the field.
Structured Hands-On Training		Most common skilled trades: Electrician, HVAC, Cosmetology, etc.
Trained by a Peer or Supervisor		Often Requires Formal Licensure
Typically, don't require tests for certification or licensure		May also Require Formal Classes to Learn the Job and Prepare for the Licensure Exam

Apprenticeships

Atlanta Electrical Contractors	http://atlantaelectrical.org/
Electrical Training Center	https://www.ibew613.org/apprenticeship-recruitment
Independent Elec Contractors	http://iecatlantaga.org/training/apprenticeship/
Atlanta Carpenters Union	http://www.atlantacarpenters.com/
Southeastern Carpenters Union	http://www.southeasterncarpenters.org/join-us/

Military

- ☐ Research the different branches (Air Force, Army, Coast Guard, Marines and Navy) at www.todaysmilitary.com.
- ☐ You can Enlist as Active Duty (Full Time) or Reserves (Part Time).
- ☐ Talk to your family about your decision.
- ☐ Talk to a recruiter: either at school or at their office. Make sure a parent/guardian is with you.
- ☐ Take the ASVAB (Armed Services Vocational Aptitude Battery) to determine job eligibility. <https://www.officialasvab.com/>

Specialty Schools (Schools that offer training for a specific careers)

Keep in mind that these are typically **FOR-PROFIT** schools, which means they are funded by students and may have very limited financial aid. They are considered a business and can close without notice, so make sure you choose a reputable school.

Examples of Specialty Schools	Types of Programs Offered	Approximate Cost of Attendance
Paul Mitchell, Aveda, Toni & Guy	Cosmetology, Barbering, Esthetician	\$10,000+
Georgia Trade School	Welding	\$18,000+
International School of Massage Therapy	Massage Therapy	\$13,000
Georgia MLS Training Institute; Barney Fletcher School; Keller Williams, Etc.	Real Estate	Varies

Military Academies

- ☐ **Academies:** West Point, Naval Academy, Air Force Academy, Coast Guard Academy, Merchant Marines
- ☐ All academies, except the Coast Guard Academy, **require a Congressional or VP nomination.**
- ☐ **Very competitive process** that you must begin very early! So, **begin researching NOW!**

You can find more information about the process on the individual Service Academy websites or at

<https://www.whitehouse.gov/service-academy-nomination/>

Traditional College Options-What type of school is right for you?

Note: Not all schools have a competitive admission process. Some colleges set minimum admissions standards that if met, grant your acceptance.

Step 1: Think about what is important to you and do some research. Use the questions below as a guide.	
ACADEMICS Do they offer your major? Is the school accredited? Student to faculty ratio?	ACTIVITIES What clubs & organizations are available? Sororities/Fraternities? Athletics/Intramurals?
COLLEGE EXPENSES Total Cost of Attendance (room, board, etc.)? Cost of application fees?	ENVIRONMENT Rural, Urban, Suburban? Location and size of nearest city? Make-up of student body? Public or Private?
HOUSING Housing Options? On or Off Campus? Layout of the dorms? Meal Plans?	LOCATION In-State or Out-of-State? Distance from home?
ADMISSION REQUIREMENTS Do you meet admission requirements? What decision processes do they use? Required tests/Average scores? Average GPA? How do they calculate GPA?	
FINANCIAL AID Deadlines to apply for Financial Aid. Required Forms (FAFSA or CSS)? % of student body that received aid? Institutional Scholarships?	
SIZE Size of student body? Physical Size of campus?	
Step 2: Make a list of potential schools and research them.	
Dream/Reach School (1-2 schools)	Your GPA, course difficulty level, and test scores are below the average, but you still meet the minimum requirements.
Target School (3-4 schools)	Your GPA, course level difficulty and test scores are within the average or minimum.
Safety (1-2 schools)	Your GPA, course difficulty and test scores are above the average or minimum.
Step 3: Use some or all the resources below to gather information on potential schools.	
<input type="checkbox"/> College/University Admissions Webpage	<input type="checkbox"/> Naviance (access via Clever)
<input type="checkbox"/> Attend Virtual/In-Person College Fairs	<input type="checkbox"/> GAFutures
<input type="checkbox"/> Attend College Visits at CHS	<input type="checkbox"/> https://bigfuture.collegeboard.org
<input type="checkbox"/> Go on College Visits (Virtual or In-Person)	<input type="checkbox"/> Talk to your school counselor

STEP 4: What is your current GPA? What type of GPA does the school you want to attend use for admissions decisions?	
Cumulative GPA (weighted & unweighted)	<p>Average of every class you have ever taken in HIGH SCHOOL-pass or fail. If you took Honors or AP classes, your weighted GPA will be different than the unweighted GPA.</p> <p>Most Honors courses give you 0.5 extra quality points and AP's give you 1.0 extra quality points. Neither of these are your HOPE GPA.</p>
College or Core GPA	The average of 17 core classes: 4 English, 4 math, 4 science, 3 social studies, 2 world languages. Most GA colleges use this to determine admissions. If you have taken Honors or AP; they may leave the weight in, they may take it out or recalculate using their own formula. Every school is different!!
HOPE GPA You can find this on GAFutures; <u>NOT</u> on your Campbell transcript.	<p>The average of ALL Core Classes, not just the 17 mentioned above.</p> <p>Calculated using your English, math, science, social studies, and world languages ONLY! They take the extra quality points (weight) out for honors but give you a 0.5 extra quality point for AP and DE, up to a 4.0.</p>
STEP 5: What about your SAT/ACT scores? Do you meet the school's minimum requirements?	<p>You need to study before you take the SAT/ACT. Don't take them blindly!!</p> <p>TAKE PRACTICE TESTS & TEST IN THE SPRING OF JUNIOR YEAR!</p>
STEP 6: Start going on college visits to narrow down your list.	You should schedule visits when classes are in session to get a feel for campus life. If you are interested in the school, do a formal tour, and take the time to walk around on your own.
STEP 7: Understand the DECISION PROCESS for each school you are considering.	
Early Action	Application decisions are made earlier than regular decision deadlines. Not required to accept the offer and usually have until May 1 to decide.
Early Decision	Students apply early, but the decision is binding. You can ONLY apply to one (1) school ED; if you are accepted you must attend and withdraw all other applications.
Regular Decision	No application decisions are made until after the posted deadline; usually 2 nd semester, potentially allowing you time to retake SAT/ACT, if necessary & submit Semester 1 grades.
Rolling Decision	Application decisions are made as they are received until all classes are filled. Don't wait until the last minute to apply.
STEP 8: Before you begin applying next year, review each school's application requirements. Pay attention to the admissions deadlines!!!	
Application	Links to apply can be found on the college's admissions page-some use Common Application, Coalition Application, or their own application.
Application Fee	All schools require a fee, but they are sometimes waived depending on the situation.
Official Transcript	Requested through Naviance for all colleges.
Official SAT/ACT Scores	<p>Required by most. You must have them sent via College Board (SAT) or ACT.</p> <p>Your counselor cannot send your test scores.</p>
Recommendations	Depends on the school. If they don't ask for it, don't send it!! May be described as Counselor Recommendation/School Evaluation and/or Teacher Recommendation (core teachers should complete the teacher recommendation)

SAT & ACT Information

	SAT www.collegeboard.com (2 hours 14 minutes) Cost: \$68	ACT www.actstudent.org (2 hours 5 minutes) Cost: \$69
Scores (2023-2024)	Perfect Score: 1600 National Avg: 1024 Georgia Avg: 1044 Cobb Avg: 1089 Campbell Avg: 1086	Perfect Score: 36 National Avg: 19.6 Georgia Avg: 21.0 Cobb Avg: 22.0 Campbell Avg: 23.0

Test Prep:

- SAT & ACT Prep: www.march2success.com
- SAT Only: www.khanacademy.org

Fee Waivers:

- Test and Application Fee waivers are available to low-income 11th- and 12th-grade students.
- Parents/guardians can apply for Free/Reduced lunch at <https://www.cobbk12.org/campbellhs> > FIND IT FAST > Lunch Menus > Family Meal Application Information.

SAT Fee Waiver	ACT Fee Waivers
2 Free SATs	2 Free ACTs with/without the optional science/writing
Unlimited Score Reports to colleges	Free access to The Official ACT online course
Waived application fees at participating schools (If you have already tested, the fee waivers are in your college board account.)	Free score reports to up to 6 colleges (at the time you register) Unlimited additional score reports (after you receive your score)
Free CSS Profile at participating schools	College application fee waivers (see your counselor)
You're eligible if one or more of these descriptions apply to you are currently in 11th or 12th grade AND meet one of the below indicators of economic need: <ul style="list-style-type: none"> ➤ You're enrolled in or eligible to participate in the federal National School Lunch Program (NSLP). ➤ . Your annual family income falls within the Income Eligibility Guidelines set by the United States Department of Agriculture (USDA) Food and Nutrition Service. See fns.usda.gov for details. ➤ . You're enrolled in a federal, state, or local program that aids students from economically marginalized families (e.g., TRIO programs like Upward Bound). ➤ Your family receives public assistance. ➤ You're unhoused or reside in federally subsidized public housing or a foster home. ➤ You're a ward of the state or an orphan. 	You're eligible if one or more of these descriptions apply to you are currently in 11th or 12th grade AND meet one of the below indicators of economic need: <ul style="list-style-type: none"> ➤ Families' total income is at or below the USDA levels for free/reduced-price lunches. ➤ Family receives low-income public assistance or lives in federally subsidized public housing ➤ Student or family is enrolled in a federally funded program for the economically disadvantaged (i.e. free or reduced lunch program, GEAR UP, or Upward Bound) ➤ Student resides in foster home, is a ward of the state, or is unhoused

What can I do if my GPA isn't high enough to get into my dream college?

- ☐ Consider taking classes at a different school, perhaps a technical or 2-year school. Your GPA starts over when you begin college.
- ☐ Once you earn 30 college credit hours, you can apply as a transfer student to a different school.
 - More information on applying as a transfer student:
https://www.usg.edu/information/prospective_students/
- ☐ You can take TAG (Transfer Admission Guarantee) classes. TAG courses are guaranteed to transfer to a school that is part of the University System of Georgia. *Be sure to check with the school you are interested in transferring to for specific transfer guidelines.

The Pros of attending a Technical or 2-Year College

<input type="checkbox"/> Save money!
<input type="checkbox"/> Great Stepping-stone! Helps you adjust to college level work and stay close to home for a slower transition.
<input type="checkbox"/> Quick employment for certain careers.
<input type="checkbox"/> Your high school GPA and standardized test scores are not as heavily weighted for admission.
<input type="checkbox"/> Offer many career opportunities.
<input type="checkbox"/> Smaller class sizes.

Technical Colleges (Chattahoochee Technical College, Atlanta Tech, etc.)

- ☐ Earn a certificate, diploma, or associate degree (Enroll in programs like Accounting, HVAC, Nursing, Automotive Technology, Cosmetology, Computer Programming, etc.)
- OR**
- ☐ Take core classes to transfer to a 4-year college to pursue a bachelor's degree.
 - ☐ Use this Link to Find the Technical College that offers the Program you are interested in pursuing.
<http://bit.ly/TCSGPrograms>
 - ☐ State Financial Aid opportunities specifically for Technical Colleges! -
<https://www.gafutures.org/hope-state-aid-programs/hope-zell-miller-grants/hope-career-grant/>
 - HOPE Grant
 - Zell Miller Grant
 - HOPE Career Grant

2-Year Colleges (Georgia Highlands College, Middle Georgia State University, Dalton State University)

- ☐ Earn an associate degree (Enroll in programs like Aviation, Nursing, Dental Hygiene, Criminal Justice, Graphic Design, etc.)
- OR**
- ☐ Take core classes to transfer to a 4-year college to pursue a bachelor's degree.
 - ☐ State Financial Aid opportunities! <https://www.gafutures.org/hope-state-aid-programs/hope-zell-miller-scholarships/>
 - HOPE Scholarship
 - Zell Miller Scholarship

ACCUPLACER EXAM: Computer Adaptive College Placement Test

- Used for admission to 2 Year and Technical Colleges (in place of SAT or ACT)
- Scheduled through the individual colleges
- Evaluates skill levels in reading, writing and math
- 3 Integrated Components: Placement Assessments, Diagnostic Assessments and Skill Building Support
- Immediate results

Hope and Zell Miller Scholarship

Hope Scholarship

- 3.0 HOPE GPA as calculated by the Georgia Student Finance Commission (GSFC) in core curriculum courses (English, math, science, foreign language, social science)
- Must earn a minimum of 4 credits from the academic rigor course list prior to graduating from high school. **(Review your HOPE transcript on GAFutures.org)**
- Two year or four-year degree
- Must graduate from a GA high school
- Must be a GA resident for at least one year (Green Card or citizenship)
- Covers a **percentage** of tuition

Zell Miller Scholarship

- Requires 3.7 core high school (HOPE) GPA as calculated by GSFC (www.gafutures.org).
- Requires 1200 SAT Math and Reading or 25 ACT composite in one test sitting
- Must earn a minimum of 4 credits from the academic rigor course list prior to graduating from high school. (Review your HOPE transcript on GAFutures.org)
- Pays 100% tuition for a two-year or four-year degree
- Must graduate from a GA high school
- Must be GA resident for at least one year (Green Card or citizenship)
- Must maintain 3.3 in college. Student can drop to HOPE if GPA is lower than 3.3.

Hope Grant

- No initial GPA requirement; 2.0 required after the first 30 hours
- Technical certificate or diploma
- Must have a high school diploma or GED
- Must be a GA resident for at least one year (Green Card or citizenship)
- Covers a percentage of tuition

Zell Miller Grant

- No initial GPA Requirement; Requires 3.5 college GPA for grant eligibility
- Does not require minimum test score
- Covers 100% tuition (retroactively covers previous semester once 3.5 GPA is earned) for certificate or diploma at technical college
- Must graduate from a GA high school
- Must be GA Resident for at least one year (Green Card or citizenship)

Hope Career Grant

- Enroll in certain high-demand certificate and diploma programs at a University System of Georgia (USG) or Technical College System of Georgia (TCSG) school
- HOPE Grant and Zell Miller Grant eligibility requirements apply
- Award amount: Awards are a fixed amount per term based on the program and number of hours enrolled; approved programs and award amounts available on GAFutures.org

Financial Aid Information

Grants & Scholarships	<ul style="list-style-type: none">• Sources: Government, College, Private (business, organizations)• Merit based or need based
Loans	<ul style="list-style-type: none">• Must pay back - with interest• Each loan has a different set of terms and conditions• Pay attention to how much you'll need for college, monthly payments, and how much you'll have to pay on interest
Work Study	<ul style="list-style-type: none">• Students have a job on campus• Money earned helps to pay for school

Financial Aid Tips

- Are you interested in a major not offered in GA and going out of state doesn't seem possible?
 - Look into **Academic Common Market**. This program gives you the opportunity to study in a specialized field at an out-of-state college and pay in-state tuition rates.
<https://www.sreb.org/academic-common-market>
- **FAFSA Information:** <https://www.gafutures.org/federal-aid-scholarships/fafsa/>
 - Complete the FAFSA as soon as possible after **October 1st** of your SENIOR year.
- **Scholarships: It's a part-time job!**
 - Apply early and often
 - Put together a resume and prepare a personal statement so you are ready to apply
 - Create a notebook to keep track of all information
 - Start local
 - Check with your employer and your parent's employer for different scholarship opportunities
 - Check Naviance under Colleges > Scholarships > Scholarship List for scholarship opportunities (including local scholarships).
- **Undocumented Students**
 - There may be additional options as provided by the specific college.
 - It is the student's responsibility to contact the college directly.
 - Talk to your School Counselor for more information and resources.

Dual Enrollment

What is dual enrollment?

- Dual Enrollment (DE) is a Georgia funded program that allows 11th and 12th graders to take college courses that can simultaneously count toward high school and college requirements.
- The Dual Enrollment program covers tuition, mandatory fees and required textbooks.
- The goal of Dual Enrollment is to increase college access and completion and prepare students to enter the workforce with the skills they need to succeed.
- For detailed information regarding the dual enrollment program in Cobb County visit:
<https://www.cobbk12.org/page/42474/dual-enrollment>

Where do most Spartans Dual Enroll?

- Kennesaw State University: <http://uc.kennesaw.edu/dep/>
- Chattahoochee Technical College: <http://www.chattahoocheetech.edu/deeligibility/>
- Check out GAFutures to see all the schools that participate in dual enrollment.

What should I do if I'm interested in participating in dual enrollment?

- View the mandatory DE video, take the quiz, and print and complete steps listed on the paperwork.
- Research admissions requirements for the college you're interested in attending.
- Know application **deadlines** for individual schools (some are early)
 - The Campbell DE deadline is earlier than the colleges, typically by about 2 weeks.
- Take SAT/ACT/Accuplacer (if required—Some colleges have temporarily waived this requirement due to Covid-19)
- Talk to your parent/guardian about this experience
- Determine if you are you ready for college level work and responsibilities.
- Consider challenges...
 - Activities during and after the school day
 - Transportation
 - Rigorous college level classes
 - Scheduling classes at college and high school

Check out the Campbell DE website for additional information: <https://campbellhscounseli.wixsite.com/my-site/general-8>

Naviance

Naviance Student is a comprehensive, web-based planning tool that will assist Campbell students in managing the academic, career, and college aspects of high school. Naviance will be the primary method of college planning for Campbell students.

Naviance Access for Students

Go to CLEVER or <https://www.cobbk12.org/campbellhs> > **Find It Fast** (top right-hand corner) and choose **Naviance**.

DO NOT GOOGLE NAVIANCE! It will prevent you from accessing the secure site.

Campbell High School

COLLEGE & CAREER CENTER

Sponsored by the

Our Mission for CHS Graduates:

- **Employment** in a high-demand career;
- **Enrollment** in post-secondary education; or
- **Enlistment** in the U.S. Armed Forces or other forms of civil service.

Providing our students access to one of these three options positions them for rewarding careers and financial security.

We will begin seeing students September 3rd.

Students, sign up here today to request an appointment -->

Or, drop in during lunch without an appointment.

We're located by the Counseling offices, down the hallway from the school store.

What We Offer

Ongoing Support

- Individual advisement sessions
- Drop-in visits during lunch

Programs and Events

- | | |
|--------------------------------|---|
| 1 College Rep Visits | 4 Career Conversations |
| 2 College & Career Fair | 5 Apply to College sessions |
| 3 Career Coaching Week | 6 Military & Business Rep Visits |
